

Farmers from Cahul and Basarabeasca districts will benefit from external humanitarian aid in the form of diesel

Today, April 6, 2024, the Material Reserves Agency, according to the approved schedule, is going to release over 71 tons of diesel to farmers in Cahul and Basarabeasca districts, granted as free humanitarian aid.

We reiterate that maximum effort is being made to release the amount of stored diesel, in timely terms, with priority being the most affected localities of the country by the drought of 2022.
